

Restorative Reproductive Medicine Educational Webinars

INTERNATIONAL
INSTITUTE for
RESTORATIVE
REPRODUCTIVE
MEDICINE

We know that finding relevant continuing education is a challenge for Restorative Reproductive Medicine professionals. Our Webinars include several different series with topics pertinent to the care you provide and the information you need. All presentations are also available to members as a recorded webinar on our website. When you register for a webinar, you can request CME credits; a certificate will be sent to you by email.

CME/CPD/CU's credits for clinicians and nurses!

IIRRM live series webinars are accredited by the *American Academy of Family Physicians*, with reciprocal agreements or/and accepted by a number of governing bodies. Each session is evaluated for 1.0 prescribed credits. Visit their website for more information on how this translates to your area at www.aafp.org.

Schedule is accurate at time of printing, however circumstances may require changes or cancellations.

For more details and current information please visit: www.iirrm.org.
For email invitation please ensure info@iirrm.org is added to your contact list.
